

APPEAL FROM SIMON CAWTHORN, -  
CONSULTANT BREAST SURGEON

"I am delighted to write in support of **BUST**. The charity's contribution to the provision of resources and equipment at the Bristol Breast Care Centre, Southmead Hospital, has made diagnosis easier and more effective, enabling us to deliver results quickly in a friendly and supportive environment.

Please consider supporting **BUST** to continue improving care for people in the Bristol area with breast disease."

"Your charity committee are all volunteers taking no payment or personal expenses. As former patients they are all determined to make the best possible use of your donations for current and future patients **THANK YOU**"

## BRISTOL BREAST CARE CENTRE

In 2013, The Southmead Breast Care Centre was expanded to include the United Hospitals Bristol staff and patients. The clinical teams are now working together to create a Centre of Excellence for breast care in Bristol and the surrounding areas.

The Breast-cancer Unit Support Trust was established in 1991 by three patients who had been treated for breast cancer at Frenchay Hospital. They were alerted to the pressing need for specialist equipment, unavailable on the NHS, to provide quicker and better diagnosis of breast abnormalities and decided to set up a group to raise money for this. The charity's prime aim is still to raise funds to purchase the latest technology for the benefit of patients.

Today the five ultrasound scanners used by doctors in the clinics testify to the fundraising success of **BUST**. See our website [www.bustbristol.co.uk](http://www.bustbristol.co.uk) to see what else we have bought. Since its inception **BUST** has raised more than £1,000,000 and every penny has been spent supporting patient care. As well as providing state-of-the-art scanners, **BUST** is also contributing to pioneering surgery and treatments.

## ABOUT THE BRISTOL BREAST CARE CENTRE

20,000 patients per year attend the Bristol Breast Care Centre, including a significant number of male patients. The numbers will continue to grow in line with the increased awareness of breast disease, especially in younger women.

We need your help to raise money for **BUST**. Your support will assist in the prevention, early detection and better treatment for patients with breast cancer and other breast diseases at the Bristol Breast Care Centre. You can contribute either by making a personal donation (see attached form or by visiting our website [www.bustbristol.co.uk](http://www.bustbristol.co.uk)) or by raising money through a sponsored event; coffee morning, afternoon tea, ball or craft fair.

Every donation goes towards additional patient care. We depend on your help and donations to continue our work.

If you are interested in joining us please contact any committee member, details overleaf.

## YES, I WOULD LIKE TO HELP BUST

BREAST-CANCER UNIT SUPPORT TRUST  
CHARITY NO: 1117508

TITLE.....FIRST NAME .....

SURNAME.....

ADDRESS .....
