CONGRATULATIONS

We are absolutely delighted to announce that B.U.S.T. founder member Pam Corrigan has been awarded a British Citizen Award in recognition for almost 30 years dedication. This is truly well deserved, and Pam has been invited to receive this honour at the Palace of Westminster in January 2019. This will be followed by a "Lap of Honour Tour" to the post-event reception where certificates will be presented. Thank you, Pam, we are so proud of you and so grateful for your tireless efforts over the years.

The purpose of the British Citizen Award (BCA) is to recognize individuals that are making a positive contribution to their community, society or chosen cause in the hope that it encourages them and others to emulate their good work, this ethos totally captures Pam's true spirit... Many congratulations from us all.
